**MO. 4820 come 8 per box!**

**Request an Order Form today 800-729-0296**

- Less resistance, better breathability
- Less cost than valved respirators
- Added carbon layer helps filter out nuisance levels of organic vapors (less than OSHA PEL)
- Soft cloth SmartStrap allows you to adjust for a custom fit
- SmartStrap allows respirator to hang around the neck when not in use
- Metal-free
- Full foam face seal for added comfort and no pressure points
- Longer use means less waste, fewer respirators used and lower costs
- Dura-Mesh® shell resists collapsing in heat and humidity
- Molded nose bridge seals easily without a metal noseband
- Facepiece is naturally contoured without pressure points
- FlexFit® design moves easily with your face and stays in place
- Softspun® lining for increased comfort and durability
- NIOSH certified to have a filter efficiency of 95% or greater for non-oil based particulates
- Certified under 42CFR84
- Meets heat and flame resistance in accordance with ANSI/ISEA 110-2009 Section 7.11.1
- 100% PVC-Free, like all Moldex products & packaging - for a greener alternative

More air. More wear.™

Easier breathing and cool comfort are what you get when you wear an AirWave® respirator. The larger surface area of the patent-pending wave design means more air flows in and out of the mask – all without a valve! Easy breathing...by design.

- Relief from Nuisance levels of Organic Vapors
- Soft foam full flange for ultimate comfortable fit.
- Adjustable cool cloth SmartStrap® for a custom fit.
- SmartStrap allows respirator to hang around the neck for convenient storage during breaks and to use longer.
- Collapse resistant Dura-Mesh shell helps respirator last longer, reduces waste and increases cost savings.
- FlexFit® design moves easily as you talk and stays in place.
